10/P23 The minutes of the meeting held on 27 September 2010 were confirmed and signed as a true record of the Meeting.

The provision of bike jumps for cycles at Dovehouse Close “Come and Play” will not be progressed as there is insufficient space to meet ROSPA guidelines. The residents were also opposed to it.

Mounds with the slide – in addition to the mounds it was agreed that there would be need for further work on preparing the surface before re-seeding. Cllr Andrews will e-mail his recommendation to Cllr Mrs Beavis who will then discuss them with Trevor Stewart. Areas of the football field also need re-seeding.

10/P24 To receive and consider quotations for work to be carried out and to make a recommendation to Council

A quote of £915 for improvements to Witney Road Play Area was circulated. It was **RESOLVED** to accept the quote from Trevor Stewart.

Trevor Stewart was preparing a quote for improvements to Oxford Road Play Area. It was agreed that a second quote be also obtained. When considering the amount that needs to be spent on improvements it should be considered whether it would be better instead to invest any substantial amounts into replacement equipment (See 10/P25 below).

Signage will be looked at when the work on the areas is completed.

10/P25 Play Equipment Replacement

The Helter Skelter and the Multi-play area at Oxford Road would benefit from being replaced. This could be considered as part of the S106 agreement.
