creating a Neighbourhood Plan for Eynsham

Feedback Form

At this stage of the Neighbourhood Plan we need you to provide feedback which we can attribute to local residents. This is to prevent multiple responses from one individual, or even from an organisation, distorting the results.

Please include your name, address and e-mail or phone number and a date. You can return forms by putting them in our Questionnaire collection boxes in most shops or just e-mail your response in any format via the link at the [end of the first column on the website.](#)

Please comment on the chosen policy by answering these questions -

- *Have we identified the issues adequately in your opinion?*
- *Does the policy reflect the 'Vision for Eynsham 2031' and cover the issues adequately?*
- *What should we add?*
- *What should we change / leave out?*
