

Your opportunity to ask “Why”

- Why are all the new homes that WODC proposes to meet Oxford City's housing crisis being built around Eynsham? Why are they offered no choice?
- Why has it taken three attempts to get a Local Plan together - then rushed through with no alternatives
- Why isn't anything being done to fix the A40 with so much extra traffic going straight onto it? Why do developers not have to contribute to the A40?
- Why can't Oxford City house its own people?

You can ask the people who have the responsibility why?

Cllr. Ian Hudspeth – Leader of OCC – responsible for roads.

Cllr. James Mills – Leader of WODC – responsible for planning policy.

Cllr. Bob Price - Leader of Oxford City Council

Nigel Tipple – CEO of OXLEP – responsible for economic development throughout Oxfordshire using Central Government funding

at **The Village Hall** on

Monday, December 5th at 7.30pm

This is a follow-up to the Eynsham Futures public meeting of October 5th – an opportunity to hold those responsible to account for decisions affecting Eynsham's future.
