

FASTER BROADBAND FOR Eynsham

Community Engagement Manager
Rezia Khan

Gigaclear
Faster broadband for rural Britain

What is Project Gigabit?

Project Gigabit is the UK government's flagship £5 billion programme to enable hard-to-reach communities to access lightning-fast gigabit-capable broadband.

Gigaclear is a proud delivery partner of Project Gigabit. We will be covering over 8,500 properties in 28 communities in Oxfordshire and Buckinghamshire.
