

Eynsham Allotments Association Autumn 2024

'Call of Nature'

Crowd Funding Appeal to local Businesses.

CALLING ALL LOCAL BUSINESSES who want to make a difference in the local community and back our campaign! We've applied for grant funding to install a composting toilet and improve our woodland but it's really important to get as much local support as we can.

Our plot-holders and their families are already pledging anything from £2 to several hundred and we have around £8,000 currently. Our crowd funding lasts for 3 months and, if successful the works will take place over the Winter and Spring. We'd welcome any support you can offer and we'll keep you in touch with our progress. Please get in touch for more details of the project if you need them:

**Time to answer the call!-
Please donate now!**

We really need your help to raise vital funds ASAP for:

- ◆ Installing A Kazuba KL2 fully accessible composting toilet
- ◆ Creating more bio- diversity in our woodland area
- ◆ Planting mixed tree and shrub species
- ◆ Laying a fully accessible pathway
- ◆ Installing bird, bee and bug boxes– improving habitats.
- ◆ Making a “clearing classroom” in the wood for outside events and learning opportunities for the wider community.

LIVE!

We have til December 31st to raise as much as we can!

Click on our Call of Nature web address below to donate NOW!

<https://www.spacehive.com/EAA-callofnature>

Yes, money is needed but we need volunteers to help please too!

Why not our volunteer work parties to prepare the ground -Laying our woodland path– Planting saplings and trees – making bird boxes– putting up tree guards– creating insect friendly wood piles– and making tea and baking cookies to keep us going!

Thank you so much!
