

**EYNHAM PLAYING FIELD MANAGERS REPORT**  
**FOR THE ANNUAL GENERAL PARISH MEETING 21th APRIL 2020**

**Finance**

The Balance sheet for 2019 was approved at the Playing Field A.G.M. The income and expenditure will be uploaded to the PFM's Charity Commission page.

**Playing Fields**

There were 7 football teams using the fields during 2019, 1 Eynsham FC seniors, 1 Social Club Seniors, 4 Youth teams aged 11, 12 13 & 14, and 1 boy's teams aged 9 playing on 1 mini-soccer pitches.

There continues to be a problem with dog fouling on the South Field. Team managers and parents are faced with having to clear up dog excrement from the pitches before games can be played and before training.

The income derived from pitch fees and events such as the Carnival are used to maintain both the North and South Fields. This allows for regular grass cutting during the year.

The Parish Council have been working with a local architect to plan a replacement for the Pavilion. The Playing Field Managers have been part of the planning process. Plans will include additional changing facilities for both players and officials. The Playing Field Managers have sourced quotes for temporary changing facilities during the demolition and re-build of the pavilion. The cost should be met as part of the overall project costs.

**Committee**

Chair – Sue Brown (nominated by Paris Council)

Secretary – Geoff Watson

Treasurer – John Ayres

Committee – Sue Osborne (nominated by Parish Council) Gary Bailey, Robbie Watson
