What is a Design Charrette?

A Design Charrette is a collaborative meeting between members of the local community and the project team, who work together to sketch designs, explore ideas and develop innovative ways to solve problems. Grosvenor and West Oxfordshire District Council hosted a joint-Charrette on 16th and 17th of May to take forward the masterplan framework for the Oxfordshire Cotswolds Garden Village.

We hope you will have the opportunity to visit the display at Eynsham Library and be able to join us at **Eynsham Sports Pavilion on Monday 24th June**.

If you have any questions or would like to speak to a member of the team, please contact: Ross McWilliams at ross.mcwilliams@fourcommunications or call 020 3907 8962
