

Eynsham Art Trail – Artist/Group Application Form

Eynsham Parish Council is working with West Oxfordshire District Council to commission a new art trail involving local artists and the community to create bespoke artworks. These will be placed in various locations within Eynsham to create a circular walking route, incorporating Thornbury Green. The preference is for outdoor installations, but the panel are also willing to consider indoor installations in areas that are open to the public.

The aims and objectives include accomplishing a series of commissioned artworks, in keeping with the local landscape, achieving a sense of local ownership of the artwork and supporting local artists or those with connections to Eynsham.
